To,

Planning the Department
South Dublin County Council,

Subject: Planning Application for 1 Foxborough Grove, Lucan
CO. Dublin, K78 PK12

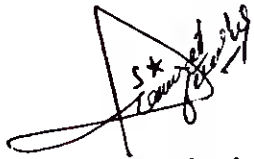

Dear Sir/Madam,

I am applying for planning permission to my house at the above address. The application for the side extension is for my parents who are living with us. There are four children, and myself and my wife in our family and my sister and her daughter also living with us. My parents need to live close to us because they are in sixties but they also need certain amount of Independence. My father is retired School Teacher and need study to continue his learning and keep in touch with his former students back home in Pakistan. The need for rear extension is because of the size of our family and the restricted size of the kitchen.

The two rear bedrooms need to be bigger to ~~to~~ accommodate ~~them~~ of my daughters and my sister and her daughter.

Please consider my planning application because of the above.

Kind Regards,

A handwritten signature in cursive script, appearing to read 'Shehzad Hussain', with a small star symbol above the first few letters.
