Planning Application No.

SD21A/0182

Date Lodged with Planning Authority:

Friday 2 July 2021

Development:

Alterations to an existing granted planning application, Reg. Ref. SD20A/0204, for a warehousing development consisting of provision of a new separate ancillary workshop building to the site's western corner measuring 278sq.m, overall height 9.7m; provision of new extended glazed entrance of ancillary office at ground floor (28sq.m, 5.9m high) to the front north-western elevation and new emergency exit route at first floor (43sq.m) exiting to side north-eastern elevation by new external stairs. Additional floor area provided 71sq.m; the alterations above result in total floor area increase by 349sq.m (from 2,222sq.m to 2,571sq.m); provision of 3 internally lit building mounted business logo signs, 12.25sq.m each (12.7m above ground level) to the front (north-western), side (north-eastern) and rear (south-eastern) elevations; provision of 3 10m high flagpoles to the north of the site, with a distance of approx. 31m from the warehouse and new extended office entrance; provision of 288sq.m solar panels to the roof of the warehouse; provision of a new recessed access/egress, rearrangement of truck wash area and refuel area and partial revision of the north-western site's boundary fence type C; elevation and site plan revisions associated with entrance porch, signage and fire exit stairs; and associated drainage adjustments due to the inclusion of the above alterations; all other details will remain as per the granted application Reg. Ref. SD20A/0204.

Location :

Baldonnell Business Park, Baldonnell, Dublin 22

IW Recommendation:

Further Information Required

IW Observations:

1 Water

1.1 In order to assess the if the public water infrastructure has sufficient capacity for the proposed development further information is requested as follows;

The applicant is required to engage with Irish Water through the submission of a Pre-Connection Enquiry (PCE) in order to determine the feasibility of connection to the public water infrastructure. The Confirmation of Feasibility (COF) must be submitted to the planning department as the response to this further information request. Pre-connection enquiries can be made at <https://www.water.ie/connections/get-connected/>.

1.2 All works are to comply with the Irish Water Standard Details & Code of Practice for Water Infrastructure

Reason: In the interest of public health and to ensure adequate water facilities.

2 Foul

2.1 In order to assess the if the public wastewater infrastructure has sufficient capacity for the proposed development further information is requested as follows;

The applicant is required to engage with Irish Water through the submission of a Pre-Connection Enquiry (PCE) in order to determine the feasibility of connection to the public wastewater infrastructure. The Confirmation of Feasibility (COF) must be submitted to the planning department as the response to this further information request. Pre-connection enquiries can be made at <https://www.water.ie/connections/get-connected/>.

2.2 All works are to comply with the Irish Water Standard Details & Code of Practice for WasteWater Infrastructure
