DO NOT SCALE FROM DRAWING

All dimensions to be checked on site prior to the start of any work and any discrepancies notified in writing to the Engineer's drawings for all structural, heating, lighting, power, drainage and ventilation information.

All building works to comply in all respects to current Building Standards for country in which they are located.

All electrical work to be carried out in accordance with the latest edition of the regulations of Electrical Engineers Regulations and to the approval of the Local Authority.

All drainage work to be carried out in consultation with the Local Authority Inspectors and to be sealed to the satisfaction of the Local Authority.

Edward Quinn,
New vehicular entrance, design and alterations to the gated entrance, at 24-26 Killakee Green, Tallaght, Dublin 24, D24 HC53
