RE: **Observation of Planning Application SD21A/0246**

To whom it concerns,

We wish to lodge an objection against the planning application SD21A/0246 on the following grounds

- Increase safety risk to residents, in particular our children, during the construction phase of this new development within the existing Grangebrook estate. Daily construction vehicles entering and exiting the Grangebrook estate through the only existing access/egress introduces a level unacceptable risk to the safety of the our children.
- The proposed development is not in keeping with the existing Grangebrook dwellings.
- Having lived in Grangebrook since 1996 I was aware original deeds provided for access to Palmyra for the purpose of maintenance for a period of 21 years. This provision is now out of date.

Kind Regards,

John & Tina Norton.
