

**Register Reference:** SD21A/0240

**Development:** Changes of use within parts only of the existing building from storage and production to: (a) use of an area as a marketing suite/showroom (380sq.m ground floor together with an 80sq.m first floor mezzanine extension); (b) automotive academy and training area (925sq.m); (c) construction of additional ancillary office/welfare accommodation (467sq.m) at ground and first floor; (d) two storey briese soleil/sun shade structure to the south elevation; (e) additional windows and glazed screens on all elevations; (f) new single storey hand wash valet structure (146sq.m) on south elevation; (g) new wall mounted signage to west and south elevation; (h) 14 new car parking spaces (previously approved) and 25 new electric car charging points; (i) revisions to existing hard and soft landscaping to accommodate the development; (j) new ramped and stepped access with external terrace to form new entrance area with canopy at existing exit on west elevation; (k) existing 8 metre high water sprinkler tank to be replaced with 11 metre high water sprinkler tank. It is intended that the majority of the premises (6926sq.m) will continue in use for storage and distribution with ancillary office use continuing also.

**Location:** Units 2007 and 2008, Orchard Avenue, Citywest Business Campus, Dublin 24

**Applicant:** Gowan Distributors Limited

**Application Type:** Permission

**Planning Officer:**

**Development Summary:** The development proposes the re-configuration of proportions of an existing industrial unit to change from production to marketing area, e-car charging point and landscaping etc. The development will not be intrusive when completed and is located well away from any domestic residences adjacent to Citywest Business Campus.

## **Decision:**

The above development is **acceptable** to this office subject to the following conditions:

### Noise

1. To control, limit and prevent the generation of Environmental Noise Pollution from occurring the Environmental Health Department of South Dublin County Council, hereby informs you that :

The use of machinery, plant, or equipment (which includes pneumatic drills, generators and the movement on and off the site of construction vehicles) is NOT PERMITTED outside the following hours

- Before 07.00 hours on weekdays, Monday to Friday
- Before 09.00 hours on Saturdays.
- After 19.00 hours on weekdays, Monday to Friday.
- After 13.00 hours on Saturdays.
- Not permitted at any time on Sundays, Bank Holidays or Public Holidays.

Reason: In the interest of public health by the prevention of unacceptable levels of noise pollution which could interfere with normal sleep and rest patterns and/or when people could reasonably expect a level of quietness, the proper planning and sustainable development of the area and to uphold the Council's amenity policies set out in the South Dublin County Council Development Plan.

### Air Quality

2. During the construction phase of the development, Best Practicable Means shall be employed to minimise air blown dust being emitted from the site. This shall include covering skips and slack-heaps, netting of scaffolding, daily washing down of pavements or other public areas, and any other precautions necessary to prevent dust nuisances.

Reason: To contain dust arising from construction in the interests of public health and to prevent nuisance being caused to occupiers of buildings in the vicinity.
