Dear Michelle,

Refers to your mail below dated 14/7/2021, Please find the attached land registry documents along with maps for the Residential property at 135 Woodview Heights , Lucan (Folio Number DN52569L) and the adjacent land purchased from SDCC (Folio Number DN211228F) and also attached other relevant documents. Hope the attached land deed and maps copy will be sufficient to justify the following:

- A map indicating the extent of land in applicants ownership.-
- Evidence that the land is residential curtilage as part of the existing dwelling

Sorry it takes long time to collect all land registry and maps copy through 2 solicitors. If you need the hard copy please inform me.

Look forward to hearing a favourable decision from your end.

Best regards
