Co Dublin

Planning Application reference Number: *SD 21A/0243*

Applicant: McHugh Components Ltd

Description of development: Permission sought to McHugh Components Ltd, for warehouse extension (circa 87 sq.m.) at rear of 89 Brommhill road, Tallaght Ind Estate, D24, with frontage on to the Mayberry Road.

Dear Sir/Madam,

I refer to the above planning application and wish to make the following objection in relation to the proposed development.

I wish to object to the proposed development based on the points below:

- Frontage access to Mayberry Road I will have a concern as a residence of Birchview to the impact this frontage development will have on my privacy.
- The proposed development, given its prominent location next to the main road, makes it a potential eyesore, and does not keep in with current settings on this road.
- There is no landscaping plan submitted with planning application there are many trees on this site which enhance out community and in my opinion must be kept.
- Frontage access to the Mayberry road from the industrial estates must not be allowed, traffic on Mayberry road is already a concern with out the added traffic from Industrial estate it must be kept residential with no frontage access from any industrial estate premises.

On the bases of the above I trust my concern will be taken into consideration prior to a decision being reached in this planning application.

Kind Regards,

Mr John Carberry
