

AS APPROVED CONTRACTOR'S CAR PARK (SDA0283) NOT TO BE CONSIDERED FOR PERMITTED LAYOUT

Customer	Microsoft	Draw	1/25/15
Project Name/Location	Microsoft - Office 365	Client/Contractor	Microsoft
Project Number	10000000000000000000	Project Manager	Michael Connolly
Design/Drawn By	Michael Connolly	Scale	1:2000
Check/Checked By	Michael Connolly	Sheet	1

- General Notes:**
- This is not an installation drawing and shows design intent information only.
 - Dimensions are given in metres (m) unless noted otherwise all levels are in metres (m) unless noted otherwise.
 - This drawing shall be read in conjunction with contract documents.
 - Equipment and other details are not manufacturer's specifications and long lead equipment will be coordinated by the GC based on final drawings.
 - All service penetrations through the roof shall be designed to accommodate thermal movement and shall be detailed to accommodate the movements as outlined in the structural engineers contract.
 - The Contractor will produce fully coordinated approval drawings for approval.
 - The Contractor will produce as built drawings prior to the start of construction.

LEGEND

--- (Blue line)	Limits to the ownership of the applicant
--- (Red line)	Site Boundary to which the SDA0283 applies (Subject to final agreement)
--- (Yellow line)	ESB Right of Way to Landmark compound
--- (Green line)	Proposed development
--- (Blue dashed line)	Demarcate outline of approved (SDA0283) buildings occupants
--- (Blue dashed line)	Open Area

- Proposed Development to be Disposed of:**
1. Approved Construction Materials, Cables, etc.
 2. Existing structures to be demolished.
 3. Existing structures to be retained.
 4. Existing structures to be retained.
 5. Existing structures to be retained.
 6. Existing structures to be retained.
 7. Existing structures to be retained.
 8. Existing structures to be retained.
 9. Existing structures to be retained.
 10. Existing structures to be retained.
 11. Existing structures to be retained.
 12. Existing structures to be retained.
 13. Existing structures to be retained.
 14. Existing structures to be retained.
 15. Existing structures to be retained.
 16. Existing structures to be retained.
 17. Existing structures to be retained.
 18. Existing structures to be retained.
 19. Existing structures to be retained.
 20. Existing structures to be retained.
