**Re: PROPOSED ATTIC CONVERSION, DORMER WINDOW AND CHANGE TO ROOF PROFILE AT 13 CARRIGLEA VIEW, FIRHOUSE, DUBLIN 24 FOR MR. WILLIAM CORLESS.**

Dear Sir/Madam,

Further to you request for **ADDITIONAL INFORMATION** please find enclosed six copies of amended drawings in response.

We have increased the size of the Dutch hip profile to make the impact much more pronounced as requested.

We have reduced the overall size of the rear dormer so as not to extend beyond the intersection point of the existing ridgeline and the proposed half hip will not exceed the height of the existing ridgeline of the dwelling.

We trust everything is in order and should you require any further information please do not hesitate to contact us.
