- KEY**
- Planning Application Boundary
  - Doorstep Playable Space - 0 to 5 years  
These will be play features for under 5s with the possibility of unsupervised play. The play equipment will provide activities that involve climbing, imitation, and dramatic play, like activity panels, slides, climbers, sandboxes. These will be located within building courtyards or within the grounds of buildings.
  - Local Playable Space - 5 to 12 years  
These will include play equipment design for this specific age group, such as climbable and balancing objects, landforms, elements for imaginative play, as well as places to sit and talk.
  - Youth Space - 12+ years  
Spaces and facilities that allow for fitness activities

**Playable Space - All Ages**  
The proposed green space includes mounds and natural boulders that can be explored by children of different ages encouraging adventurous and imaginative play.

Play equipment to meet European Playground Equipment Standards (EN 1176).  
Materials  
Play Equipment to be made of locally sourced, durable timber resilient to rot (robina, oak, larch or similar approved)  
Fixings to be made from stainless steel and guaranteed to last 20+ years
