**Re: Storm and foul drainage connections for the housing development at Leabeg / Marfield house, Kiltipper Road, Dublin 24, D24 AF8R.**

Dear Sir or Madam,

Through correspondence with Fitzgerald Kavanagh + Partners (acting as agents) it has been identified that a foul and storm drainage route, which are currently in private ownership, runs through the south of our site which could offer potential connections.

We hereby consent to Peter McVerry Trust, submitting a planning application to SDCC for a proposed residential development of 10 units on the Kiltipper Rd, Dublin 24. We note the proposal as part of the planning application a potential surface and foul drainage connection within Kelland Homes land ownership to the north of the proposed development and consent to the inclusion of this possible connection subject to IW and our final agreement.

We trust that the foregoing is satisfactory, but should you have any queries regarding this application, please feel free to get in contact.

Yours sincerely,
