Murphy Surveys Ltd Disclaimer

The use of recipient of this survey data understands and acknowledges that this data may be inaccurate or contain errors or omissions and that the user or recipient of this data shall use it at their own risk. The user or recipient of this data shall not rely on this data for any purpose other than that stated in the Contract. No liability shall attach to the Surveyor in respect of any consequential loss or damage suffered by the Client.

The Client must promptly notify the Company of any errors in mapping of any nature whatsoever, whether or not they are material to the survey, and the Company shall rectify any such errors or omissions at its own expense. The Client shall indemnify the Company against all claims, damages, losses and expenses, including reasonable legal costs, which the Company may incur in connection with any use of or reliance upon data produced by the Company. Although significant care has been exercised to produce surveys that satisfy a high standard of accuracy, the Company does not warrant any accuracy of the data produced by the Company. The Company shall not be liable for any inaccuracies or omissions in the data produced by the Company, whether or not such inaccuracies or omissions are discoverable at the time of the survey, and the Company shall not be liable for any consequential loss or damage suffered by the Client. Wherever possible, accessible areas to be surveyed will be labeled as "UTS".

The Company shall not be liable for the accuracy of the data produced by the Client or for any inaccuracies or omissions in the data produced by the Client, whether or not such inaccuracies or omissions are discoverable at the time of the survey, and the Company shall not be liable for any consequential loss or damage suffered by the Client. The Company shall not be liable for any inaccuracies or omissions in the data produced by the Client, whether or not such inaccuracies or omissions are discoverable at the time of the survey, and the Company shall not be liable for any consequential loss or damage suffered by the Client.
