Dear Sir/Madam,

I am a direct neighbour of the applicant, living opposite them on Ballytore Road. Having objected to their previous planning application SD18B/0072, I now wish to express my support for their revised plans.

I am satisfied that the development is similar to other houses in the locality and endeavours to blend into the streetscape on Ballytore Road. The scale of development at the property has been reduced and is more in keeping with other properties on the road.

I do not have any objections in relation to the development and I have been happy with the level of engagement with my neighbours regarding the same.

Kind regards,

Liam Heffernon

Letter of support for proposed development at 42 Ballytore Road, Rathfarnham, Dublin 14.

To whom this concerns,

We are very happy to lend our support to the proposed development at 42 Ballytore Road. Having objected to the previous planning permission (reference SD18B/0072) at this property, we are now satisfied that the new plans are scaled back and in keeping with other properties on Ballytore Road.

My neighbours have consulted with us how the development will look when it is finished and we are pleased with what is proposed.

Yours faithfully,

Richard & Miriam Meade
