PLANNING NOTICES

Louth County Council - Significant Further Information/Revised Plans - Urban Life (GSD) Ltd. have submitted Significant Further Information and Revised Plans in relation to planning application Ref. No. PA Ref. 21/396 on a site at George's Street and Trinity Gardens, Drogheda, Co.Louth. The application site comprises Nos. 26, 28, 29, 30 and 31 Georges Street including lands known as Swan Yard, Drogheda, Co Louth. The development will consist of the demolition and clearance of all buildings and structures on site including demolition of five existing houses and a domestic garage and outbuildings associated with Swan Yard. The planning application site is bounded to the east by George's Street, to the south by Trinity Gardens, to the west by the rear gardens of dwellings within Trinity Gardens and to the north by a property fronting George's Street and its associated rear garden. The proposed development consists of the construction of a 'Build to Rent' residential development which varies in height from 1-2 storeys along the western and northern boundaries and from 3-7 storeys on Georges Street, comprising 57no. apartments (6no. studio, 34no. 1-bed and 17no. 2-bed) and communal residents support services and amenities with a central courtyard and car parking area to contain 17no. car parking spaces. The development includes the creation of a new vehicular entrance off the local access road to Trinity Gardens to the south of the application site including a new footpath and public lighting along the southern site boundary and the creation of a public open space into Georges street including footpath widening. This planning application also provides for an ESB substation, undergrounding of overhead lines where required, landscaping, bin storage, bicycle parking/ storage and all associated site development works and boundary treatments. Changes to the development proposed as part of the further information submission include alteration of the application site boundary to include the adjoining public footpaths and roads. A recent addition to the record of protected structures Ref: DB 402 -the entrance walls, railings and name plaques at the entrance to Trinity Gardens, the northern section of which fall within the application site has also been addressed. The proposed development has been amended to take cognizance of this change of status and it is now proposed to retain in-situ a section of the northern boundary wall with "Trinity Gardens" including the name plaque. A further section of the wall will be carefully taken down and rebuilt to the back of a new pedestrian footpath in all its details including the wall top railings. Sections of the wall will be removed to facilitate the vehicular entrance to the development (as per the originally submitted drawings) and also to provide two pedestrian entrances, one of which will be in the position of the existing garage structure to be removed (not part of the protected structure), the second at the westerly end of the proposed pedestrian footpath. The revised plans result in consequential alterations to the proposed development including to parts of the internal layout, elevations and balconies and to the pedestrian entrance off George's Street. Significant Further Information and revised plans have been furnished to the planning authority in respect of this proposed development and are available for inspection or purchase, at a fee not exceeding the reasonable cost of making a copy, at the offices of the authority during its public opening hours. A submission or observation in relation to the further information and revised plans may be made in writing to the planning authority within 2 weeks of receipt of the significant further information and this newspaper notice and site notice by the planning authority. A submission or observation must be accompanied by the prescribed fee of €20.00, except in the case of a person or body who has already made a submission or observation.
