17th November 2021

Dear Sirs,

Please find enclosed documentation detailing a proposal for the provision of a Special Education Needs Unit at St. Joseph's Boys National School, Boot Road, Clondalkin, Dublin D22PY13.

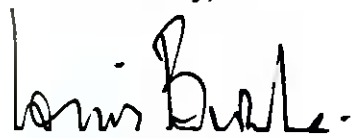

The works include the demolition of part of the modern extension constructed at the southern end of the original school building, in order to construct a new single storey extension to accommodate the Unit. Ancillary works will include some modifications to the original classroom block and the provision of new car parking spaces in the western forecourt area.

On behalf of my client, Fr Damian Farnon Chairperson of the Board of Management, St Joseph's National School, I wish to apply for Planning Permission for this proposal.

Please note that, in my opinion, this planning application is exempt from planning charges as the school is owned by a Religious Organization and is used for Social, Recreational and Educational purposes without any profit or gain to the school.

If you have any query on the enclosures, please contact me.

Yours faithfully,

LOUIS BURKE
