(See part 6 – Supporting materials for more information.)

As a resident at 15 Prospect Avenue, this proposal will directly adjoin my property.

1, On looking at the application it is obvious that this does not meet the provision of the South Dublin County Development plan of 2016 to 2022 Section 11.2.7. This clearly states that any new residential development that would adjoin an existing one or two storey housing, shall be no more than two storeys in height unless a separation distance 35m or greater is achieved. As such, this proposal directly contravenes SDCC's own housing policy , Policy 9 objective 3.

It is difficult to understand why any application in the current format would succeed bearing those facts in mind.

2. There appears to be no proposals to deal with increased traffic in the area.

3. Also the proposal is unclear regarding the status of the trees that currently line both Stocking lane and the border of the development and the houses on Prospect Avenue. What guarantees do we have from the developer that these would be retained. Any planning permission should include a requirement for them to guarantee retention of ALL trees currently in existence.

5. Grounds

Sincerely Paul Cloake
