DECISION: Pursuant to the Planning and Development Act 2000 (as amended), dated as above a decision to **REFUSE PERMISSION** is hereby made for the said development for the reason(s) set out on the Schedule hereto.

REASON(S)

1. Having regard to the siting, design and layout of the proposed dwelling on lands that function and form part of the public realm/open space, this space being granted permission under Reg. Ref SD12A/0238, the proposed development would seriously injure the residential amenity of the dual aspect dwelling at 6 Peyton View by means of overshadowing and overbearing impact, particularly the southern/front elevation of this property and would injure the residential amenity of the overall Peyton Housing Development through the loss of a section of open space/public

realm and if granted, would:

- (1) contravene materially Condition 1 of Planning Reference SD12A/0238
 - (2) be contrary to Development Plan policy on Corner/infill sites (Policy H17 Objective 3), and
 - (3) contrary to the proper planning and sustainable development of the area.
2. Having regard to the rear amenity space of the proposed dwelling, which would be directly overlooked by the adjacent properties at both 6 and 7 Peyton View, the proposed development would fail to adhere to the provisions of the Urban Design Manual: A Best Practice Guide (2009), Section 7.8 of the Sustainable Residential Development in Urban Areas: Guidelines for Planning Authorities (2009) and Policy H15 Objective 3 of the County Development Plan which seek the protection and provision of private rear amenity space for each dwelling unit. The proposed development would therefore be contrary to County Development Plan policy and objectives, national policy and be contrary to the proper planning and sustainable development of the area.

Please note that upon receipt of this document you are obliged to remove the planning site notice in compliance with Article 20 of the Planning and Development Regulations 2001 (as amended). Please note that any valid submissions or observations received in accordance with the provisions of the Planning and Development Regulations 2001 (as amended), have been considered in the determination of this application.
