**NOTIFICATION OF DECISION TO GRANT PERMISSION & REFUSE PERMISSION
PLANNING AND DEVELOPMENT ACT 2000 (as amended) and PLANNING
REGULATIONS THEREUNDER.**

Decision Order No: 1605	Date of Decision: 14-Dec-2021
Register Reference: SD21B/0430	Date:

Applicant: Tracy Palmer

Development: Construction of a new façade wall to allow conversion of existing car port to new bedroom; ground floor rear extension with flat roof and all ancillary site works.

Location: 10, Hansted Way, Lucan, Co. Dublin

Time extension(s) up to and including:

Additional Information Requested/Received: 23-Sep-2021/24-Nov-2021

Clarification of Additional Information Requested/Received:

In pursuance of its functions under the above mentioned Acts, the South Dublin County Council, being the Planning Authority for the County of South Dublin, did by Order dated as above make a **DECISION TO GRANT PERMISSION & REFUSE PERMISSION** in respect of the above proposal, as detailed on the following pages.

A decision to **Grant Permission** for the rear extension only, subject to the Conditions/Reasons set out in the First Schedule hereto.

SCHEDULE 1

Conditions and Reasons:

1. Development to be in accordance with submitted plans and details.
The development of the rear extension only shall be carried out and completed in its entirety in accordance with the plans, particulars and specifications lodged with the application, and as amended by Further Information received on 24 November 2021, save as may be required by the other conditions attached hereto.
REASON: To ensure that the development shall be in accordance with the permission, and that effective control be maintained.
2. Amendments.
Prior to the commencement of development the applicant, owner or developer shall submit the following for the written agreement of the Planning Authority:
Revised plans that incorporate all of the following amendments-
 - (a) the proposed development, with the retention of the carport for parking;
 - (b) All elevations, including the eastern;
 - (c) Details of the roof of the single storey rear extension, where it joins 12 Hansted Way at a scale of no less than 1:50.REASON: In the interests of clarity and to protect the amenities of the area and in the interests of the proper planning and sustainable development of the area.
3. Water Services.
 - (i) Prior to commencement of development, the applicant shall submit a drawing showing existing and proposed surface water and foul water drainage layouts up to and including the point of connection to the public surface water sewer. The drawing shall include the location of all AJs, manholes, pipe size, material type and direction of flow. The drawing shall clearly show that the foul and surface water systems are discharging to separate pipe networks.
(Maps of the mains foul and surface water drainage networks may be obtained, if available, for required locations in South Dublin County Council by emailing: servicemaps@sdublincoco.ie).
 - (ii) All works shall comply with the Greater Dublin Regional Code of Practice for Drainage Works and Irish Water Standard Details and Code of Practices.
REASON: In the interests of proper planning and sustainable development of the area.
4. (a) External Finishes.
All external finishes shall harmonise in colour or texture that is complementary to the house or its context.
REASON: In the interest of visual amenity.

(b) Restriction on Use.

The house and the proposed extension shall be jointly used as a single dwelling unit for residential purposes and shall not be sub-divided or used for any commercial purposes, and the extension shall not be sold, let (including short-term letting), leased or otherwise transferred or conveyed, by way of sale, letting or otherwise save as part of the single dwelling unit.

REASON: To prevent unauthorised development.

(c) Drainage - Irish Water.

(i) The water supply and drainage infrastructure, shall comply with the requirements of Irish Water.

(ii) There shall be complete separation of the foul and surface water drainage systems, both in respect of installation and use.

(iii) All drainage works for this development shall comply fully with the Greater Dublin Regional Code of Practice for Drainage Works.

(iv) All works shall comply with the Building Regulations -Technical guidance document- Part H Drainage and Wastewater disposal.

REASON: In the interests of public health, the proper planning and sustainable development of the area and in order to ensure adequate water supply and drainage provision.

(d) Minimise Air Blown Dust.

During the construction and or demolition phase of the development, Best Practicable Means shall be employed to minimise air blown dust being emitted from the site. This shall include covering skips and slack-heaps, netting of scaffolding, daily washing down of pavements or other public areas, and any other precautions necessary to prevent dust nuisances. The applicant/developer shall comply with British Standard B.S. 5228 Noise Control on Construction and Open sites and British Standard B.S. 6187 Code of Practice for demolition.

REASON: In the interest of public health and to uphold the Council's policies set out in the South Dublin County Council Development Plan.

(e) Construction Noise and Hours.

To control, limit and prevent the generation of unacceptable levels of Environmental Noise Pollution from occurring during construction activity, Equipment or Machinery (to include pneumatic drills, on-site construction vehicles, generators, etc.) that could give rise to unacceptable levels of noise pollution as set out generally for evening and night-time in S.I. No. 140/2006 - Environmental Noise Regulations 2006 shall only be operated on the site between 7.00 hours and 19.00 hours weekdays and between 9.00 hours and 13.00 hours on Saturdays. No works shall take place at any time on Sundays, Bank Holidays or Public Holidays.

Any construction work outside these hours that could give rise to unacceptable levels of

noise pollution shall only be permitted following a written request to the Planning Authority and the subsequent receipt of the written consent of the Planning Authority, having regard to the reasonable justification and circumstances and a commitment to minimise as far as practicable any unacceptable noise outside the hours stated above. In this respect, the applicant or developer shall also comply with BS 5228:2009 Noise and Vibration Control on Construction and Open Sites, and have regard to the World Health Organisation (WHO) – Guidelines for Community Noise (1999).

The applicant or developer shall also endeavour to engage in local consultation in respect of any noise sensitive location within 30 metres of the development as approved prior to construction activity commencing on site. Such noise sensitive locations should be provided with the following:

- Schedule of works to include approximate timeframes
- Name and contact details of contractor responsible for managing noise complaints
- Hours of operation- including any scheduled times for the use of equipment likely to be the source of significant noise.

REASON: In the interest of public health by the prevention of unacceptable levels of noise pollution which could interfere with normal sleep and rest patterns and/or when people could reasonably expect a level of quietness, the proper planning and sustainable development of the area and to uphold the Council's amenity policies set out in the South Dublin County Council Development Plan.

NOTE: The applicant is advised that under the provisions of Section 34 (13) of the Planning and Development Act 2000 (as amended) a person shall not be entitled solely by reason of a permission to carry out any development.

NOTE: The applicant or developer should ensure that all necessary measures shall be taken by the contractor to prevent the spillage or deposit of clay, rubble or other debris on adjoining roads during the course of the works and to ensure that any such instances arising are remedied immediately.

NOTE: The applicant/developer of these lands is advised that in the event of encroachment or oversailing of adjoining property, the consent of the adjoining property owner is required.

A decision to **Refuse Permission** for the conversion of the carport to a habitable room for the Reason(s) set out in the Second Schedule.

SCHEDULE 2

Reasons

1. The applicant has failed to demonstrate that there would be sufficient car parking for the dwelling, following conversion of the carport and having regard to the information submitted in relation to car parking, the proposed development would endanger public safety by reason of traffic hazard or

obstruction of road users or otherwise, would adversely impact on residential amenity and would be contrary to the provisions of the County Development Plan and the proper planning sustainable development of the area.

Please note that upon receipt of this document you are obliged to remove the planning site notice in compliance with Article 20 of the Planning and Development Regulations 2001 to 2006.

Please note that any valid submissions or observations received in accordance with the provisions of the Planning and Development Regulations 2001-2006, have been considered in the determination of this application.

Signed on behalf of the South Dublin County Council
