Dear Jim,

RE: Planning application for Proposed footbridge from car park of university campus to Airton Close, Tallaght, Dublin 24 – SD21A/0104

Further to your correspondence dated 28th June requesting additional information, please find enclosed further information as requested and outlined below:

- Revised architectural drawings as per document issue sheet. Drawings clearly show existing and proposed pedestrian and cycle routes between Airton Close and university campus. Gates have been added to Airton Close end of bridge
- Section 50 approval of Arterial Drainage Act from the OPW
- Outline CEMP
- Flood Risk Assessment Report (included within Appendix 2 of CEMP)
- Appropriate Assessment Screening Report (included within Appendix 3 of CEMP)
- Lease Plan drawing
- Document with responses to each of the queries raised in your letter of 28th June

If you have any queries or require further information, please do not hesitate to contact me.

Yours sincerely
