DECISION TO: Pursuant to the Planning & Development Act 2000 (as amended), it is hereby decided, for the reasons set out in the First Schedule hereto, to **GRANT PERMISSION** for the said development in accordance with the said plans and particulars, subject to the conditions specified in the Second Schedule hereto, the reasons for the imposition of the said conditions being as set out in the said Second Schedule and the said decision is subject to the said conditions.

FIRST SCHEDULE

It is considered that the proposed development accords with the policies and objectives of South Dublin County Council, as set out in the South Dublin County Council Development Plan 2016 - 2022 and subject to the condition(s) set out hereunder is thereby in accordance with the proper planning and sustainable development of the area.

SECOND SCHEDULE

Conditions and Reasons:

1. Development to be in accordance with submitted plans and details.
The development shall be carried out and completed in its entirety in accordance with the plans, particulars and specifications lodged with the application, and as amended by Further Information received on 17/11/2021, save as may be required by the other conditions attached hereto.
REASON: To ensure that the development shall be in accordance with the permission, and that effective control be maintained.
2. Tree Protection in grass margin
The applicant shall ensure the protection of the existing street tree to be retained through the installation of suitable tree protection fencing in order to protect the existing tree during any construction works. Commencement of development shall not be permitted without adequate protective fencing being in place. This fencing, enclosing the tree protection area must be installed prior to any plant, vehicle or machinery access on site. Fencing must be clearly signed 'Tree Protection Area – No Construction Access'. No Excavation, plant vehicle movement, materials or soil storage is to be permitted within the fenced tree protection areas indicated on plan.
REASON: In the interest of street tree protection and proper planning and sustainable development.
3. Roads requirements.
 - (a) The boundary walls at vehicle access points shall be limited to a maximum height of 0.9m and any boundary pillars shall be limited to a maximum height of 1.2m, in order to improve forward visibility for vehicles.
 - (b) Any gates shall open inwards and not out over the public domain.
 - (c) The proposed vehicular entrance shall not exceed 3.5m
 - (d) Footpath and kerb shall be dished and widened, and the dropped crossing shall be constructed to the satisfaction of South Dublin County Council and at the applicant's expense. The footpath and kerb shall be dished and widened to the full width of the proposed widened driveway entrance.REASON: In the interest of traffic and pedestrian safety and proper planning and sustainable development.
4. (a) Restriction on Use.
The house and the proposed extension shall be jointly used as a single dwelling unit for residential purposes and shall not be sub-divided or used for any commercial purposes,

and the extension shall not be sold, let (including short-term letting), leased or otherwise transferred or conveyed, by way of sale, letting or otherwise save as part of the single dwelling unit.

REASON: To prevent unauthorised development.

(b) Drainage - Irish Water.

Prior to commencement of development the applicant shall submit the following information to the Planning Authority for written approval:

(i) There are no soil percolation test results, design calculations or dimensions submitted for the proposed soakaway. The applicant shall submit a report showing site specific soil percolation test results and design calculations for the proposed soakaway in accordance with BRE Digest 365 – Soakaway Design.

(ii) The applicant shall submit a revised drawing showing plan & cross-sectional views, dimensions, and location of proposed soakaway. Any proposed soakaway shall be located fully within the curtilage of the property and shall be:

- At least 5m from any building, public sewer, road boundary or structure.

- Generally, not within 3m of the boundary of the adjoining property.

- Not in such a position that the ground below foundations is likely to be adversely affected.

- 10m from any sewage treatment percolation area and from any watercourse / floodplain.

- Soakaways must include an overflow connection to the surface water drainage network.

(iii) The applicant shall include water butts as part of Sustainable Drainage System (SuDS) features for the proposed development.

(iv) All works shall comply with the Building Regulations -Technical guidance document- Part H Drainage and Wastewater disposal

(v) The Developer shall ensure that there is complete separation of the foul and surface water drainage for the proposed development.

(vi) All works for this development shall comply with the requirements of the Greater Dublin Regional Code of Practice for Drainage Works.

(vii) All works are to comply with the Irish Water Standard Details & Code of Practice for Water Infrastructure Reason: In the interest of public health and to ensure adequate water facilities.

(viii) All works are to comply with the Irish Water Standard Details & Code of Practice for Water Infrastructure.

(ix) The water supply and drainage infrastructure, shall comply with the requirements of Irish Water.

(x) There shall be complete separation of the foul and surface water drainage systems, both in respect of installation and use. All new precast surface water manholes shall have a minimum thickness surround of 150mm Concrete Class B.

(xi) All drainage works for this development shall comply fully with the Greater Dublin Regional Code of Practice for Drainage Works.

REASON: In the interests of public health, the proper planning and sustainable development of the area and in order to ensure adequate water supply and drainage provision.

(c) Minimise Air Blown Dust.

During the construction and or demolition phase of the development, Best Practicable Means shall be employed to minimise air blown dust being emitted from the site. This shall include covering skips and slack-heaps, netting of scaffolding, daily washing down of pavements or other public areas, and any other precautions necessary to prevent dust nuisances. The applicant/developer shall comply with British Standard B.S. 5228 Noise Control on Construction and Open sites and British Standard B.S. 6187 Code of Practice for demolition.

REASON: In the interest of public health and to uphold the Council's policies set out in the South Dublin County Council Development Plan.

(d) Construction Noise and Hours.

To control, limit and prevent the generation of unacceptable levels of Environmental Noise Pollution from occurring during construction activity, Equipment or Machinery (to include pneumatic drills, on-site construction vehicles, generators, etc.) that could give rise to unacceptable levels of noise pollution as set out generally for evening and night-time in S.I. No. 140/2006 - Environmental Noise Regulations 2006 shall only be operated on the site between 7.00 hours and 19.00 hours weekdays and between 9.00 hours and 13.00 hours on Saturdays. No works shall take place at any time on Sundays, Bank Holidays or Public Holidays.

Any construction work outside these hours that could give rise to unacceptable levels of noise pollution shall only be permitted following a written request to the Planning Authority and the subsequent receipt of the written consent of the Planning Authority, having regard to the reasonable justification and circumstances and a commitment to minimise as far as practicable any unacceptable noise outside the hours stated above. In this respect, the applicant or developer shall also comply with BS 5228:2009 Noise and Vibration Control on Construction and Open Sites, and have regard to the World Health Organisation (WHO) – Guidelines for Community Noise (1999).

The applicant or developer shall also endeavour to engage in local consultation in respect of any noise sensitive location within 30 metres of the development as approved prior to construction activity commencing on site. Such noise sensitive locations should be provided with the following:

- Schedule of works to include approximate timeframes
- Name and contact details of contractor responsible for managing noise complaints
- Hours of operation- including any scheduled times for the use of equipment likely to be the source of significant noise.

REASON: In the interest of public health by the prevention of unacceptable levels of noise pollution which could interfere with normal sleep and rest patterns and/or when people could reasonably expect a level of quietness, the proper planning and sustainable development of the area and to uphold the Council's amenity policies set out in the South Dublin County Council Development Plan.

NOTE: The applicant is advised that under the provisions of Section 34 (13) of the Planning and Development Act 2000 (as amended) a person shall not be entitled solely by reason of a permission to carry out any development.

NOTE: The applicant is advised that in the event of encroachment or oversailing of adjoining property, the consent of the adjoining property owner is required.

NOTE: The applicant is advised that, in order to use the attic conversion as a habitable room, it must comply with the Building Regulations.

NOTE: The applicant or developer should ensure that all necessary measures shall be taken by the contractor to prevent the spillage or deposit of clay, rubble or other debris on adjoining roads during the course of the works and to ensure that any such instances arising are remedied immediately.

NOTE: Waste, arising from the site, must be kept to a minimum, segregated where appropriate, and disposed in accordance with the Waste Management Regulations 2007, as amended. Transport of such waste, must be by an authorised waste permit holder. Waste disposal records must be maintained and made available, for inspection by Authorised Persons appointed under the Waste Management Act 1996, as amended. A Waste Transfer Form shall accompany the transportation of all hazardous waste arising from the construction works.

NOTE: A Roads Opening Licence must be obtained from South Dublin County Council prior to the commencement of any works in the public domain in order to comply with the Roads Act 1993, Section 13, paragraph 10. Under this Act, non-compliance constitutes an offence.

The Developer is advised that under the provisions of the Construction Products Regulation 2013 (No.305/2011-CPR) All products sourced for use in building process must conform with the statutory requirements of the CPR. For more information on these responsibilities see <http://ec.europa.eu/enterprise/sectors/construction/legislation>.

From March 1, 2014 the Building Control (Amendment) Regulations 2013 (SI 80 of 2013) come into effect. All Commencement Notices for works greater than 40sq.m are obliged to be accompanied by a number of certified undertakings as described by these Regulations.

Please note that upon receipt of this document you are obliged to remove the planning site notice in compliance with Article 20 of the Planning and Development Regulations 2001, as amended.

Please note that any valid submissions or observations received in accordance with the provisions of the Planning and Development Regulations 2001, as amended, have been considered in the determination of this application.

Signed on behalf of the South Dublin County Council.
