APPLICATION TO THE ENVIRONMENTAL PROTECTION AGENCY FOR REVIEW OF A WASTE LICENCE

ROADSTONE LIMITED, FORTUNESTOWN, TALLAGHT, DUBLIN 24 intends to apply to the Environmental Protection Agency for a review of its existing waste licence (Ref. No. W0277-03) in respect of soil and stone / construction and demolition waste recovery activities on lands at Kishane, Huntstown, Johnstown, Cappogue and Grange, in Co. Dublin (National Grid Reference 3709E 2419N).

The waste licence review application provides for:
(i) importation of soil and stone waste to the western side of Huntstown South Quarry at a maximum rate of 750,000 tonnes per annum (as currently permitted by Planning Ref. FW12A/0012);

(ii) extension of the licensed site proposed to incorporate the boundary waste recovery area on the western side of the South Quarry and the haul roads leading to / from it;

(iii) an increase in the total permitted (lifetime) soil and stone waste intake to the (extended) waste facility to 18.76 million tonnes;

(iv) continued use of pre-existing site infrastructure to support these activities; and

(v) re-routing of internal traffic flows to and from the backfilling / recovery area at the South Quarry across pre-existing haul roads within the quarry complex. The principal activity is Class R5 as per the Fourth Schedule of the Waste Management Act 1996, as amended (recycling or reclamation of other inorganic materials, which includes soil cleaning resulting in the recovery of the soil and recycling of inorganic construction materials).

Other activities include Class R3 of the Fourth Schedule (recycling or reclamation of organic substances which are not used as solvents) and Class R13 of the Fourth Schedule (storage of waste pending any of the operations numbered R1 to R12 (excluding temporary storage, pending collection, on the site where the waste is produced)).

An Environmental Impact Assessment Report will be submitted to the Agency with the Waste Licence Review Application. A copy of the Waste Licence Review Application, the Environmental Impact Assessment Report and any opinion issued by the Agency on the scope of that report and, where applicable, such further information including reports and advice, relating to the environmental impact assessment as may be furnished to the Agency in the course of the Agency's consideration of the Application shall, as soon as is practicable after receipt by the Agency, be available on the Agency's website and a copy of such information shall be available for inspection or purchase at the headquarters of the Agency during office hours.

If, pursuant to Article 17 of the Waste Management (Licensing) Regulations 2004 (as amended), it appears to the Agency that the activity, the subject of the application would, or is likely to have a significant impact on the environment of another Member State, the Agency shall, as soon as may be after receipt of the said application, notify the appropriate competent authority in the Member State concerned. Pursuant to Section 42(2) of the Act, a draft decision shall be published by the Agency. Arrangements for public participation include:

(i) the right of the public to make a written submission under Article 15 of the Regulations; and
(ii) the right of the public to make an objection against a proposed decision under Section 42(3) of the Act.
