You may be able to get it cheaper online, but ask yourself this: where does your money go?

Does it go back into your community, into your town? Is it helping to keep our families, our friends and neighbours in jobs?

Does your money go towards paying the Rates that fund your local roads and facilities provided by your County Council?

Does the person you are doing business with online support local clubs, associations, events in your community, etc?

If you spend your money locally your community benefits, your local businesses thrive and you have jobs to go to.
