

1. This drawing is produced from AutoCAD using the 'ASAP' (Architectural Site Area Plot) template. It is a technical drawing and should not be used for construction without the accompanying specifications and notes.

2. The site boundaries are shown as a solid line. The proposed buildings and structures are shown as hatched areas.

3. The site is shown with a grid of 10m squares. The grid lines are shown as dashed lines.

4. The site is shown with a scale of 1:500. The scale bar is shown at the bottom left of the drawing.

5. The site is shown with a north arrow pointing towards the top right of the drawing.

6. The site is shown with a title block at the bottom right of the drawing.
