- Permitted Block 2 layout will be reconfigured, and increased in height by 1 storey, and will now comprise 34 no. apartments (an increase of 1 no. from the permitted 33 no.)

To: CDStraining <CDStraining@water.ie>
Subject: SHD Planning documentation.

Hello

Due to the ongoing Covid-19 pandemic, Irish Water is seeking the assistance of the development community to help minimise our requirement to attend the office. In this regard, it is preferable for Irish Water to receive the SHD Planning Documentation in USB format rather than paper format with a cover letter. The USB should be sent to the same address as the paper format: CDS Planning, Irish Water, Colvill House, 24-26 Talbot Street, Dublin 2

We also urge the development community to continue to submit their designs to CDSdesignga@water.ie ahead of any full SHD application to An Bord Pleanála for assessment. Upon review of an acceptable design Irish Water will provide the developer with a Statement of Design Acceptance.

Many thanks

We, Moykerr Limited, intend to apply to An Bord Pleanála for permission for a Strategic Housing Development (SHD) at this site at 'St Edmunds', St Loman's Road, Palmerstown, Dublin 20. The application site is bounded to the south by St. Loman's Road (L1042); to the west by a previous phase of St. Edmund's residential development; to the north by Ballydowd Special Care Unit; and to the east by the Fonthill Road (R113).

The proposed development comprises modifications to the previously permitted Strategic Housing Development granted on the subject site (Reg. Ref. ABP-305857-19), which is currently under construction.

The proposed development will provide for amendments to the permitted development as follows:

- **Permitted Block 1 increased in height by 1 storey and will now comprise 235 no. apartments in total (an increase of 21 no. from the permitted 214 no.)**
- **Permitted Block 2 layout will be reconfigured, and increased in height by 1 storey, and will now comprise 34 no. apartments (an increase of 1 no. from the permitted 33 no.)**
- **Replacement of permitted Block 3 (a terrace of 5 no. 2 storey, 3-bed houses) with a new 4-5 storey apartment block comprising 28 no. apartments (an increase of 23 no. from the permitted 5 no.)**
- **Replacement of permitted Block 4 (a 3 storey commercial block comprising creche, gym, retail unit, community room and concierge) with a 2-5 storey block comprising 16 no. apartments, creche and residential amenity space (providing a gym, co-working space, a multi-use room, kitchenette and reception).**

The overall development, as modified, will increase from 252 no. permitted residential units (comprising 247 no. apartments/duplexes and 5 no. houses) to 313 no. apartments in four blocks (an increase of 61 no. units) and including 137 no. 1-beds, 171 no. 2-beds and 5 no. 3-beds. The building height will now range up to 9 storeys (previously up to 8 storeys). All apartments will have associated private balconies/terraces to the north/south/east/west elevations. Permitted parking will be revised to now provide 214 no. car parking spaces (a decrease of 11 no. spaces) and 378 no. bicycle parking spaces (an increase of 70 no. spaces). All associated site services and works to enable the development including bin stores, ESB substations, associated roadworks and services connections, public and communal open spaces, vehicular access, pedestrian/cyclist connections, boundary treatment works and landscaping.

The application contains a statement setting out how the proposal will be consistent with the objectives of the South Dublin County Council Development Plan 2016 – 2022.

The application contains a statement indicating why permission should be granted for the proposed development, having regard to a consideration specified in section 37(2)(b) of the Planning and Development Act, 2000, as amended, notwithstanding that the proposed development materially contravenes a relevant development plan or local area plan other than in relation to the zoning of the land.

The application may be inspected or purchased at a fee not exceeding the reasonable cost of making a copy, during public opening hours at the offices of An Bord Pleanála and South Dublin County Council. The application may also be inspected online at the following website set up by the applicant: www.stedmundsphase3shd.ie

Submissions or observations duly made will be considered by An Bord Pleanála in making a decision on the application. Such submissions or observations must also include the following information:

- (m) the name of the person, authority or body making the submission or observations, the name of the person, if any, acting on behalf of that person, authority or body, and the address to which any correspondence relating to the application should be sent,

An Bord Pleanála may attach to a grant of permission such conditions as it considers appropriate.

Any enquiries relating to the application process should be directed to the Strategic Housing Development Section of An Bord Pleanála (Tel. 01-8588100).
