The primary purposes of this letter, the accompanying drawings and indicative estimate costs, is to ensure the planning application meets with the requirements of the Planning and Development Regulations, 2001-2021, the Urban Regeneration and Housing Act 2015 and the Affordable Housing Act 2021.

Hugh McGreevy & Sons Ltd and Tierra Ltd, will satisfy Section 96 of Part V of the Planning and Development Act, 2000 (as amended), in accordance with Option 2 or a combination of Options 2 & 4 (Option 6) of "SDCC Part V Housing Requirements Pre Planning Guidance".

The proposed scheme contains 455 no. residential units. For the location of the proposed 10% social and the 10% affordable units, please refer to the enclosed Davey Smith Site Layout Plan. The applicant is available to discuss with SDCC's Housing Department the above proposal or any alternative that achieves the required 20% equivalent monetary value.

The units proposed for social housing include the following:

- 6 no. Type K, 4 bedroom houses
- 4 no. Type B, 3 bedroom houses
- 4 no. Type D, 3 bedroom houses

In preparing this information we have had regard to Circular PL 10/2015 and Housing Circular 36/2015 issued by the Department of Environment, Community and Local Government. This provides guidance on the information to be submitted in respect to Part V to ensure the requirements of Article 22(2)(e) of the Planning and Development Regulations 2001, as amended, are met in respect to the validation of the planning application.

Please note that the details submitted in respect to compliance with Part V are indicative only and are subject to future discussions and agreement with the Planning Authority. Accordingly, the applicant agrees to accept a condition on a grant of planning permission, if the Planning Authority is minded to approve the proposed development, to this effect. The applicant is happy to enter into a Part V agreement with the County Council prior to the commencement of development, as required by the amended Planning and Development Act, 2000, as amended.

We trust that this is satisfactory. We would be happy to provide further clarification on any aspects of this application if required.

Yours faithfully,

John Spain Associates
