CAUTION: [EXTERNAL EMAIL] Do not click links or open attachments unless you recognise the sender and know the content is safe.

Dear Sirs,

We have reviewed the above referenced SDZ Application. We now advise as follows:

There are two Gas Transmission Pipelines within Gas Networks Ireland Wayleaves within the designated SDZ. These Pipelines are shown, in **RED**, on the drawing attached. Please treat all Gas Networks Ireland Drawings as 'indicative' only.

To verify the *in situ* position of the Gas Transmission Pipelines please contact Chris Dillon, chris.dillon@gasnetworks.ie. All work in the vicinity of a Gas Transmission Pipeline must be completed in compliance with the attached 'Code of Practice 2021'.

The Gas Transmission Pipeline exists within 14m (Pipeline #13) and 8m (Pipeline #72) wide Gas Networks Ireland Wayleaves. No excavation may take place within any such Wayleave unless consent, in the form of a valid Excavation Permit, has been granted by Gas Networks Ireland. For further advice in regard to such Wayleaves please contact our Pat Morgan, Pat.Morgan@gasnetworks.ie.

The Gas Distribution Network in the vicinity is shown, in **GREEN** and/or in **BLUE** on the drawing attached. Please refer to the attached *Safety Advice Booklet* for guidance on working in the vicinity of this infrastructure.

While we have neither comment nor objection to make on the application we ask in this instance that conditions, obliging the applicant to contact Gas Networks Ireland on 1800-42 77 47 in advance of any siteworks, be attached to any Grant of Planning Permission the Council might grant and to complete all such works in the vicinity of the Gas Transmission Pipeline in compliance with the attached 'Code of Practice 2021'.

Regards,

Donncha
