No part of this document may be re-produced or transmitted in any form or stored in any retrieval system of any nature without the written permission of iStruct Consulting Engineers as copyright holder except as agreed for use on the project for which the document was originally issued

**SUDs NOTES:**

1) A full filtration permeable paving system has been shown here. An on-site filtration test will be carried out to confirm the permeability of the ground on site is adequate before the system is installed, otherwise an alternative design will be implemented

**KEYPLAN:**

**Planning Drawings Only**

These drawings should not be used for construction.
