Dear Trevor

SDCC hereby grant permission to include the area coloured in purple and owned by SDCC on the attached drawing within a planning application.

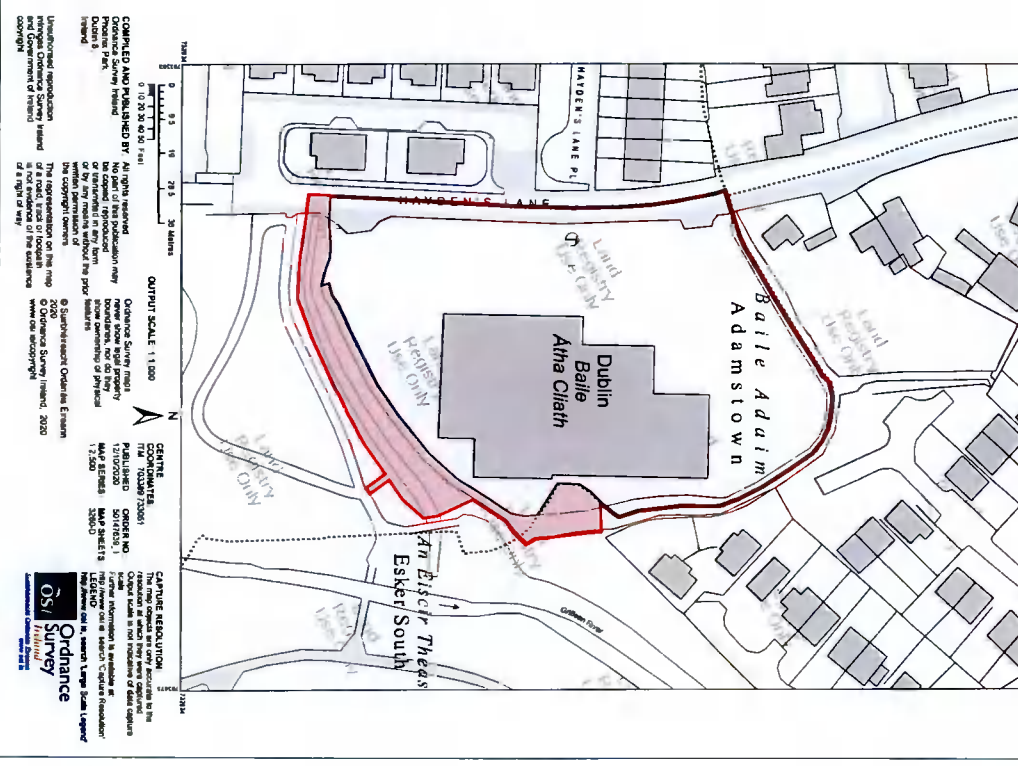

This permission is made without prejudice and does not confer any rights to enter onto the lands and carry out works. Separate permission is required in relation to entering onto lands and carrying out works.

Please note a grant of permission to include SDCC lands within a planning application does not consider the acceptability or otherwise of the planning proposals; which will be subject to a separate consideration by the planning authority.

Thank you

Best regards
Suzanne Furlong
Senior Parks Superintendent
