PLANNING REGULATIONS THEREUNDER

Decision Order No.	0034	Date of Decision	12-Jan-2022
Register Reference	SD21A/0086	Date	07-Dec-2021

Applicant: Elizabeth Murphy

Development: Construction of a three bedroom, dormer type bungalow to side of existing family home; new entrance for car parking to existing house and all associated site works.

Location: 19, Grange View Drive, Dublin 22

Time extension(s) up to and including:

Additional Information Requested/Received: 31-May-2021/07-Dec-2021

Clarification of Additional Information Requested/Received:

DECISION: Pursuant to the Planning and Development Act 2000 (as amended), dated as above a decision to **REFUSE PERMISSION** is hereby made for the said development for the reason(s) set out on the Schedule hereto.

REASON(S)

1. The proposed development of a two-storey, three-bedroom dwelling situated immediately adjacent to single storey dwellings and located directly to the south of an existing residential property, would give rise to an unacceptable overbearing impact and overshadowing of these properties. Furthermore, the internal bedroom, which is provided with only a rooflight for light

and the northern façade which does not provide a dual frontage would represent a substandard design and level of residential amenity for both the inhabitants of the dwelling and existing residents of the area. The proposed development would fail to comply with objectives set out under Policy H17 'Residential Consolidation' and standards set out in Chapter 11 of the South Dublin County Council Development Plan (2016-2022), would seriously injure the residential and visual amenities in the vicinity and would therefore be contrary to proper planning and sustainable development.

2. Insufficient, inconsistent and inaccurate information has been submitted with the application:
 - The site layout plan does not clearly illustrate the relationship between the subject site and the adjoining properties, particularly to the north.
 - The location of the first floor level bedroom window shown on the Side Elevation does not appear to be correct. The window is shown in the eaves, when it appears to be a bedroom window.

In the absence of accurate and sufficient information, the Planning Authority considers that the applicant has not substantially demonstrated that the proposed development will not adversely impact on residential amenity and/or the visual amenity of the area. The proposed development would therefore be contrary to the proper planning and development of the area.

Please note that upon receipt of this document you are obliged to remove the planning site notice in compliance with Article 20 of the Planning and Development Regulations 2001 (as amended). Please note that any valid submissions or observations received in accordance with the provisions of the Planning and Development Regulations 2001 (as amended), have been considered in the determination of this application.
