Dear Sir/Madam,

On behalf of my client Greener Ideas Limited who is the applicant for planning application SD21A/0167, I would request that the Council would please consider extending the appropriate period for making a response to a request for further information by an additional 3 months.

The Further Information request was made in August 2021 and is due to be responded in February 2022. An additional 3 months would extend this period up to May 2022.

If you could please confirm that this extension is possible it would be most appreciated.

Please let me know if you wish to discuss.

Kind regards,

Mark McCarthy BA, MURP, MIPI
