Additional Information Requested/Received: 30-Jun-2021 /07-Dec-2021

Clarification of Additional Information Requested/Received:

DECISION TO: Pursuant to the Planning & Development Act 2000 (as amended), it is hereby decided, for the reasons set out in the First Schedule hereto, to **GRANT PERMISSION** for the said development in accordance with the said plans and particulars, subject to the conditions specified in the Second Schedule hereto, the reasons for the imposition of the said conditions

being as set out in the said Second Schedule and the said decision is subject to the said conditions.

FIRST SCHEDULE

It is considered that the proposed development accords with the policies and objectives of South Dublin County Council, as set out in the South Dublin County Council Development Plan 2016 - 2022 and subject to the condition(s) set out hereunder is thereby in accordance with the proper planning and sustainable development of the area.

SECOND SCHEDULE

Conditions and Reasons:

1. Development to be in accordance with submitted plans and details.
The development shall be carried out and completed in its entirety in accordance with the plans, particulars and specifications lodged with the application, as amended by Further Information received on 7th December 2021, save as may be required by the other conditions attached hereto.
REASON: To ensure that the development shall be in accordance with the permission, and that effective control be maintained.
2. Amendments.
Bedrooms 3 and 4 of No. 147A (those bedrooms at first floor level to the east of the house) shall have windows in the eastern facade looking onto Ballymount Road. The windows shall be proportionate to the windows on the front elevation.
Prior to the commencement of development the applicant, owner or developer shall submit revised elevation drawings showing the eastern elevation of No. 147A, incorporating the above changes.
REASON: To uphold council policy on blank facades and to improve the streetscape on the adjoining road.
3. Irish Water Connection Agreement.
Prior to the commencement of development the applicant or developer shall enter into water and/or wastewater connection agreement(s) with Irish Water.
REASON: In the interest of public health and to ensure adequate water/wastewater facilities.
4. Drainage - Surface Water.
The disposal of surface water, shall fully comply with all of the technical requirements of the Council's Water Services Section. In this regard, prior to the commencement of development, the applicant/developer shall submit the following for the written agreement of the Planning Authority:
 - (a) Fully detailed foul and surface water drainage plans for the proposed development as approved showing location of all manholes, AJs etc located within the site boundary up to and including point of connection to the public sewer that fully accords with the requirements Council's Water Services Section and or Irish Water,
 - (b) There shall be complete separation of the foul and surface water drainage systems, both in respect of installation and use. All new precast surface water manholes shall have

a minimum thickness surround of 150mm Concrete Class B.

(c) All drainage works for this development shall comply fully with the Greater Dublin Regional Code of Practice for Drainage Works.

(d) The soakaway design to be submitted shall be certified to BRE Digest 365 standard by a suitably qualified person carrying professional indemnity insurance and shall include documented evidence of infiltration test results to demonstrate that the soakaway complies with the requirements of BRE Digest 365.

The revised plans shall provide for a soakaway to be located within the curtilage of the property and this shall be:

(i) at least 5m from any buildings, public sewers or structures and not in such a position that the ground below foundations is likely to be adversely affected.

(ii) at least 5m from the nearest road boundary and not within 3m of the boundary of the adjoining site.

(iii) a minimum of 10m from any sewage treatment percolation area.

(iv) at least 10m from any stream / river / flood plain.

In addition only rainwater shall be discharged to soakaways.

(e) If percolation test results show that a soakaway would be an inappropriate solution at this site, the applicant shall agree an alternative solution with the SDCC Environmental Services Department prior to construction.

REASON: In the interests of public health, safety, the proper planning and sustainable development of the area and in order to ensure adequate and appropriate surface water drainage provision.

5. Occupation subject to service connection.

No dwelling unit shall be occupied until all the services (drainage, water supply, electricity and or other energy supply, public lighting and roads) for each dwelling unit have been completed thereto and are operational.

REASON: In the interest of the proper planning and sustainable development of the area.

6. Restriction on Use and Occupancy.

Each proposed residential unit shall be used and occupied as a single dwelling unit for residential purposes and shall not be sub-divided or used for any commercial purposes, (including short-term letting).

REASON: To prevent unauthorised development.

7. House Number.

The units shall be numbered 147 and 147a. These numbers shall be placed on the completed houses prior to occupation in a manner so as to be clearly legible from the public road.

REASON: In the interests of the proper planning and sustainable development of the area and compliance with the Council's Development Plan.

8. External Finishes.

All external finishes shall harmonise in colour or texture that is complementary to the existing house or its context.

REASON: In the interest of visual amenity.

9. Dish Kerb and Footpath.

The kerb and footpath of the public road at the vehicle entrance(s) shall be,

(a) dished and a widened dropped crossing shall be constructed to the satisfaction of South Dublin County Council and at the applicant's expense, and

(b) all works shall be completed fully in accordance with the terms of a Road Opening Licence to be obtained by the applicant, developer, or owner from the Council prior to commencement of any works in the public domain.

REASON: In the interest of public safety and the proper planning and sustainable development of the area, and in order to comply with The Roads Act 1993 Section 13 Paragraph 10.

10. Gates.

No gate to be installed or erected shall be capable of opening across any public footpath, cycle-track, roadway or right of way, and any front entrance pillars shall be a maximum height of 1.2m .

REASON: In the interests of visual amenity and pedestrian safety.

11. Construction Noise and Hours.

To control, limit and prevent the generation of unacceptable levels of Environmental Noise Pollution from occurring during construction activity, no Equipment or Machinery (to include pneumatic drills, on-site construction vehicles, generators, etc.) that could give rise to unacceptable levels of noise pollution as set out generally for evening and night-time in S.I. No. 140/2006 - Environmental Noise Regulations 2006 shall be operated on the site before 7.00 hours on weekdays and 9.00 hours on Saturdays nor after 19.00 hours on weekdays and 13.00 hours on Saturdays, nor at any time on Sundays, Bank Holidays or Public Holidays.

Any construction work outside these hours that could give rise to unacceptable levels of noise pollution shall only be permitted following a written request to the Planning Authority and the subsequent receipt of the written consent of the Planning Authority, having regard to the reasonable justification and circumstances and a commitment to minimise as far as practicable any unacceptable noise outside the hours stated above. In this respect, the applicant or developer shall also comply with BS 5228:2009 Noise and Vibration Control on Construction and Open Sites, and have regard to the World Health Organisation (WHO) – Guidelines for Community Noise (1999).

The applicant or developer shall also endeavour to engage in local consultation in respect of any noise sensitive location within 30 metres of the development as approved prior to construction activity commencing on site. Such noise sensitive locations should be provided with the following:

- Schedule of works to include approximate timeframes
- Name and contact details of contractor responsible for managing noise complaints
- Hours of operation- including any scheduled times for the use of equipment likely to be the source of significant noise.

REASON: In the interest of public health by the prevention of unacceptable levels of noise pollution which could interfere with normal sleep and rest patterns and/or when people could reasonably expect a level of quietness, the proper planning and sustainable development of the area and to uphold the Council's amenity policies set out in the South

Dublin County Council Development Plan.

12. Minimise Air Blown Dust.

During the construction and or demolition phase of the development, Best Practicable Means shall be employed to minimise air blown dust being emitted from the site. This shall include covering skips and slack-heaps, netting of scaffolding, daily washing down of pavements or other public areas, and any other precautions necessary to prevent dust nuisances. The applicant/developer shall comply with British Standard B.S. 5228 Noise Control on Construction and Open sites and British Standard B.S. 6187 Code of Practice for demolition.

REASON: In the interest of public health and to uphold the Council's policies set out in the South Dublin County Council Development Plan.

13. Financial Contribution.

The developer shall pay to the Planning Authority a financial contribution of €33,436.80 (thirty three thousand four hundred and thirty six euros and eighty cents), in respect of public infrastructure and facilities benefiting development within the area of the Planning Authority, that is provided, or intended to be provided by or on behalf of the authority, in accordance with the terms of the Development Contribution Scheme 2021 - 2025, made under Section 48 of the Planning and Development Acts 2000-2011 (as amended).

The contribution shall be paid prior to commencement of development, or in such phased payments as the Planning Authority may facilitate. Contributions shall be payable at the rate pertaining to the year in which implementation of the planning permission is commenced as outlined in the South Dublin County Council Development Contribution Scheme 2021 - 2025.

REASON: The provision of such facilities will facilitate the proposed development. It is considered reasonable that the payment of a contribution be required, in respect of public infrastructure and facilities benefiting development in the area of the Planning Authority and that is provided, or that is intended will be provided, by or on behalf of the Local Authority.

NOTE RE: CONDITION - Please note that with effect from 1st January 2014, Irish Water is now the statutory body responsible for water services. Further details/clarification can be obtained from Irish Water at Tel. 01 6021000 or by emailing customerservice@water.ie.

NOTE: The applicant is advised that under the provisions of Section 34 (13) of the Planning and Development Act 2000 (as amended) a person shall not be entitled solely by reason of a permission to carry out any development.

NOTE: The applicant is advised that in the event of encroachment or oversailing of adjoining property, the consent of the adjoining property owner is required.

NOTE: Waste, arising from the site, must be kept to a minimum, segregated where appropriate, and disposed in accordance with the Waste Management Regulations 2007, as amended. Transport of such waste, must be by an authorised waste permit holder. Waste disposal records must be maintained and made available, for inspection by

Authorised Persons appointed under the Waste Management Act 1996, as amended. A Waste Transfer Form shall accompany the transportation of all hazardous waste arising from the construction works.

NOTE: A Roads Opening Licence must be obtained from South Dublin County Council prior to the commencement of any works in the public domain in order to comply with the Roads Act 1993, Section 13, paragraph 10. Under this Act, non-compliance constitutes an offence.

NOTE: Notwithstanding any grant of planning permission; if an applicant requires permission to access local authority land (e.g. public footpaths, public open space or roadways) in order to access utilities, or for any other reason; please apply via <https://maproadroadworkslicensing.ie/MRL/> for a licence from the Local Authority to carry out those works.

The Developer is advised that under the provisions of the Construction Products Regulation 2013 (No.305/2011-CPR) All products sourced for use in building process must conform with the statutory requirements of the CPR. For more information on these responsibilities see <http://ec.europa.eu/enterprise/sectors/construction/legislation>.

From March 1, 2014 the Building Control (Amendment) Regulations 2013 (SI 80 of 2013) come into effect. All Commencement Notices for works greater than 40sq.m are obliged to be accompanied by a number of certified undertakings as described by these Regulations.

Please note that upon receipt of this document you are obliged to remove the planning site notice in compliance with Article 20 of the Planning and Development Regulations 2001, as amended.

Please note that any valid submissions or observations received in accordance with the provisions of the Planning and Development Regulations 2001, as amended, have been considered in the determination of this application.

Signed on behalf of the South Dublin County Council.
