Strategic Housing Development

Application Form

Before you fill out this form

Please note that failure to complete this form or attach the necessary documentation, or the submission of incorrect information or omission of required information, will lead to An Bord Pleanála refusing to deal with your application. Therefore, ensure that each section of this request form is fully completed and signed, entering n/a (not applicable) where appropriate, and that all necessary documentation is attached to the application form. You are advised to refer to the “General Guidance Note” provided on pages 27 to 29 prior to completing this form.

Other Statutory Codes

An applicant will not be entitled solely by reason of a planning permission to carry out the development. The applicant may need other statutory consents, depending on the type of development. For example, all new buildings, extensions and alterations to, and certain changes of use of existing buildings must comply with building regulations, which set out basic design and construction requirements

Data Protection

It is the responsibility of persons or entities wishing to use any personal data on a planning application form for direct marketing purposes to be satisfied that they may do so legitimately under the requirements of the Data Protection Acts 1988 and 2003. The Office of the Data Protection Commissioner state that the sending of marketing material to individuals without consent may result in action by the Data Protection Commissioner against the sender, including prosecution.

9. Description of the Proposed Strategic Housing Development:

Please provide a brief description of the nature and extent of the proposed development, including-

- the proposed types and numbers of houses, student accommodation or both,
- in the case of student accommodation units, the combined number of bedspaces, and any other uses to which those units may be put,
- proposed services ancillary to residential development,
- other proposed uses in the development of the land, the zoning of which facilitates such use, and
- where an Environmental Impact Assessment Report or Natura Impact Statement has been prepared in respect of the application, an indication of that fact.

The development will consist of: demolition of existing single storey dwelling and the construction of 274 no. units on a 4.62 ha (net) site (density 60 units per hectare). It will comprise of 51 no. houses, 38 no. duplex units and 185 no. apartments. The height of the proposed scheme will range from two storey houses and three storey duplexes to 5 storey and part 8 storey apartment blocks.

The proposed residential mix will comprise of:

17 no. 2-bed houses, 27 no. 3-bed houses and 7 no. 4-bed houses,

2 no. 1-bed duplex, 17 no. 2-bed duplex and 19 no. 3-bed duplex units,

62 no. 1-bed apartments, 119 no. 2-bed apartments and 4 no. 3-bed apartments.

A 4-classroom crèche of c. 276 sq.m and 2 no. substations are also included in the proposed development. 276 no. car parking spaces and 634 no. bicycle spaces are provided.

A planted woodland berm will be developed along the northern boundary with the N7 to provide a sound barrier and amenity open space. There are a number of green spaces located in the centre of the site and on the south east and west of the site with natural play and SUDS elements as well as a large open communal space for the two apartment blocks to the south.

Vehicle, pedestrian and cycle access to the site will be from the Mill Road. A new road will be constructed running east west at the southern boundary of the site. The residential element of the site will have two access points off the proposed new road. This new route will extend eastwards to provide cycling and pedestrian connections through neighbouring Citywest lands and to the Saggart LUAS light rail terminus.

Secondary access is proposed at the north west of the site from an existing access road connecting to Mill Road. This access is designed as services and emergency only and will be controlled by collapsible bollards.

Please submit a site location map sufficient to identify the land, at appropriate scale.	Enclosed: Yes: [X] No: []
