Dear Sir / Madam,

I have been asked by an Bord Pleanála to refer further to the above mentioned case received under the provisions of section 146B of the Planning and Development Act 2000 as amended and in particular to the Board's letter to you dated 27th August 2021 wherein the applicant was requested to publish notice of the alteration and specify a time period for the making of submissions/observations to the Board on foot of the notice. The notices were published and a site notice erected specifying the date to 23rd December 2021 for the making of submissions/observations to the Board. However, it was noted that no submissions/observations were received by the Board in the case.

In the circumstances, the Board has decided to extend the time period for the making of submissions/observations. The revised time period is now 3 weeks from the date of this notice.

Your submission should, therefore, be received by the Board on or before 5.30 p.m on 7th February 2022.

The documentation can be viewed in both the planning authority and Board's offices.

If you have any further queries on the matter, please do not hesitate to contact the undersigned.

Yours faithfully,

pp NA
