Planning Application Number SD22A/0017

Dear Sir,

I would like to lodge my observations in relation to the above Planning Application

My observations are:

1 – the proposed development suggests very limited parking for the residents and retail units. This parking combined with the lack of parking available on Ballymount Road at present will make parking in the area unsustainable and dangerous and will cause further congestion at the Walkinstown Roundabout.

2 – the proposed development is out of proportion with the adjoining properties in the area and so, would tarnish the overall site line of the area.

3 – the proposed development would cause overshadowing and overlooking of the properties on both sides of Ballymount Road.

4 – the extra traffic in the area poses a danger to life as there are no Traffic Lights on Ballymount Road and were previously advised by Council that the road was too narrow to facilitate them.

Thank you for your time and I look forward to a response.

Regards.
