**Date Rec'd:** 11-Nov-2021

With reference to the appeal on the above mentioned application I enclose herewith: -

1. A copy of the application which indicated the applicant's interest in the land or structure.
2. A copy of the public notice submitted with the application.
3. A copy of the plans submitted with the application.

If an obligation under Part V of the Planning and Development Act, 2000 applies to the application under appeal please ensure that the condition stating the nature of the obligation is included in the decision of the Bord.

In the event of a decision to grant permission cognisance should be had as to whether the South Dublin County Council Development Contributions Scheme applies and whether a condition should accordingly be attached. Furthermore the development maybe within the area for which supplementary development contributions are applicable in relation to the Kildare Route Project Supplementary Development Contributions Scheme. Details of the schemes are available from South Dublin County Council's website at the Planning Homepage in the Planning Applications area. Contributions should be included in relevant cases. Finally conditions relating to security under Section 34 (4) (g) of the Planning and Development Act 2000, as amended, should be applied where appropriate, particularly in the case of residential developments of 2 or more residential units.

Yours faithfully
