To Whom It May Concern,

I confirm we are in a position to accept approximately 400tonne of EWC Code 17 01 01 (concrete) and 17 01 02 (bricks) that originates from a site operated by Hegarty Demolitions Ltd. at the above location and being hauled by Digby Bridge Sand & Gravel Co Ltd, under their waste collection permit number NWCPO – 13 -11274 – 02 into our waste facility in Drinninstown, Co. Kildare.

Trusting the above mentioned is in order and should you require any further information or clarification please do not hesitate to contact me.
