Re: Acceptance of waste arising from works ex : **KN Circet, Crag Avenue Business Park, Clondalkin, Dublin.**

To whom it may concern,

Further to your recent request please note that Rilta Environmental Ltd. shall accept the following types and quantities of waste arising from the above referenced site;

Waste Type	Waste description	Est. Qty (Tonnes)
170601*	Asbestos Friable	Not known
170605*	Asbestos Cement Bonded	Not known

On the basis of the information provided, Rilta Environmental Ltd. hereby confirms that the waste referenced above will be accepted at its EPA licensed waste facility operating under licence ref. W0185-01 at Unit 14A1 Grants Road, Greenogue Business Park, Rathcoole, Co Dublin. Upon the receipt the waste shall be placed into interim storage pending export under competent authority approved TFS to appropriately authorised waste management facilities.

Should you have any further queries on this, or any other matters please don't hesitate to contact the undersigned.

Yours sincerely,

Karen Lynch
Asbestos Administrator
