CALOR SHORT 1 TONNE GAS TANK
NTS

CALOR

Notes:

1. Calor shall not be liable for any loss or damage whatsoever caused, and whether direct or indirect or consequential, due to a non-compliance of the gas distribution system with Irish Standards IS 2716, IS 813, IS 823, IS 261, IS 266 and Local Government Regulation S.I. 68 and any subsequent amendments to these Standards/Regulations.
2. Drawings are for the design of the LPG installation only and can only be used as such if a gas supply contract has been signed between the client and Calor Gas.
3. This Calor Gas drawing is based on drawing number: 6100-0101

and is limited to the design of the LPG system. Calor Gas accepts no responsibility for any section of the drawing not related to LPG or not originated by Calor Gas.

4. Final position of the meter boxes to be agreed with Calor Gas and approved before installation.
5. All gas pipework from gas meter boxes to be suitably sized and installed by a competent gas installer.
