Re: 455 residential units (including a mixture of 2 and 3 storey semi-detached and terraced houses, and duplex units and apartments in 3 and 4 storey blocks), new internal roads and footpaths, site access, public open space, car parking, cycle stores, landscaping, bin stores, foul and surface water drainage, boundary walls and fences, ESB substations and all associated site development works. Site Location: Tubber Lane, Adamstown, Lucan, Co. Dublin.

A Chara,

I refer to the request for planning permission for the above development, details of which were received by the Irish Aviation Authority from the Council.

It is the observation of the Safety Regulation Division Aerodromes that in the event of planning consent being granted, the applicant should be conditioned to notify the Authority and Weston Airport of intention to commence crane operations with at least 30 days prior notification of their erection.

Yours sincerely
