**Re: Remove existing hipped roof and replace with new 'Dutch' hip to side;
attic conversion with dormer window to rear of 226, Orwell park Heights,
Templeogue, Dublin 6w.**
Applicant: Stuart & Rhian McEvoy
Reg. Ref: SD21B/0603.

ADDITIONAL INFORMATION

Dear Sir/Madam,

In relation to the above application please find enclosed six copies of revised plans and elevations drawing showing the following:

1. Dutch hip has been revised to maintain the same angle as the existing hip roof of the dwelling so as not to be a 'token' and be clearly distinguishable from a full gable roof.
I would also like to note that this 'token' Dutch hip as originally submitted is identical to that granted permission under SD18B/0474.

Yours faithfully,

David Corbally.
