**Re: Proposed retention of relocated entrance door to front elevation from side elevation at 54A Knocklyon Green, Knocklyon, Dublin 16 for Mr, John Fair.**

Dear Sirs,

Please find enclosed six copies of our drawings together with copy of site notice, copy of newspaper advert, application form and application fee in support of above proposed planning application.

The reason for the change is to provide a better layout of the living and kitchen area and study and to maintain the elevational treatment of the adjoining properties.

Should you require any further information please do not hesitate to contact us.

Yours faithfully,
