Re Application for attic conversion consisting of  
bedroom and en suite bathroom to front of  
existing dwelling  
at 4 Park View  
Greenhills Road,  
Dublin 24

Dear Sir/Madam,

On behalf of Mr and Mrs Alan Finn i wish to apply for Planning Permission as detailed above and would like to make the following comments on same.

Mr & Mrs Finn are the Freehold owners of the property at 4 Park View .

MR & Mrs Finn obtained Planning Permission for an attic conversion to the rear of the property under SD07B/102D.

However their family has gown in number since then and they need extra living space, and with the cost of housing in the area they feel the extension as detailed is the best option.

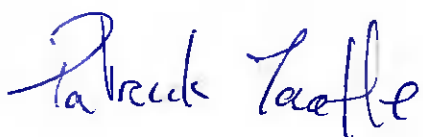

There have been many similar developments in the immediate and surrounding areas (see accompanying photos)

Mr & Mrs Finn have discussed the proped development with their immediate and surrounding neighbours who have all indicated their support for same.

I trust the enclosed is to your satisfaction.

However if you should have any queries or require any clarifications please do not hesitate to contact me

Yours Faithfully,  
Patrick Taaffe.
