RE: Activity on Sports Grounds Cloverhill Road

Dear Jason/Ray,

This letter is to verify that we intend to open the facility on average 6 to 7 hours per week throughout the year due to the surface being natural grass. There will be less hours available during winter periods to give the surface time to recover and during dry periods between spring and autumn a greater amount of activity will be possible.

With the facility being closed 96% of the week we require robust site security to prevent break-in's and damage. Over the past 24 months we have had 4 break-ins on this site.

For and on behalf of the board of directors.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'Stephen Quinn', written over a horizontal line.
