

ENVIRONMENTAL HEALTH - PLANNING MEMO

Date: 9th of March 2022

Register Reference: SD22A/0026

Development: Canopy waste compactor/baler on south western elevation and all associated site works on a site under construction and located between Casement Aerodrome and the N7 national route. The proposal amends a previously permitted development under SDCC Reg. Ref. SD20A/0215.

Location: Moneenalion Commons Upper, Brownsbarn and Collegeland, Baldonnell Business Park, Dublin 22

Applicant: MLEU Dublin 2 Limited

App. Type: Permission

Planning Officer: SARAH WATSON

Date Received: 01-Feb-2022

Decision Due Date: 28-Mar-2022

Comments

The proposed development is for provision of a canopy to a waste compactor/baler on the South Western Elevation.

The proposed changes are not likely to have any Environmental impact and therefore the Environmental Health Department do wish to raise any objection to the proposal outlined. Standard conditions have been recommended below which cover any potential noise disturbance.

The proposal is **acceptable** to the Environmental Health Department

Kieran Groarke
