Please find the following documents for Planning application.

- 1 copy of site notice
- 1 application form completed
- 1 original newspaper notice Liffey Champion
- 6 no site location map scale 1:1000
- 6 no Site layout scale 1:250
- 6 no scale 1/100 Plan and Elevation
- Planning fee €80

*PAID Rebecca in Cash Office 15/02/22*

The applicants William and Martina Murphy previously were granted planning permission under ref SD18B/0290 for an extension.

The agent had a side access gate to the rear garden on the planning drawings but never put this into the newspaper notice.

The applicants didn't know this until they got notice that this gate was not included unfortunately the gate was built as it is needed to bring the bins out and also other items from the back garden.

During construction it was advised that the entrance piers were very narrow so they moved 1 of these also.

We hope you can look at this application and give it a fair consideration.

Please do not hesitate to contact me should you need any more information.
