### **Reasons**

1. The proposed first floor rear extension, attic extension and roof profile alterations, by reason of their scale, slope, design, appearance and location on a prominent corner site would be out of character with the existing dwelling and with neighbouring dwellings in the vicinity. The proposal would have a negative impact on the privacy and amenity of neighbouring dwellings, be visually obtrusive on the streetscape and would have a significant adverse visual impact. The development would be contrary to the 'RES' zoning objective for the area which seeks 'To protect and/or improve residential amenity', and would be contrary to proper planning and sustainable development of the area. The proposal would seriously injure the amenities of property in the vicinity and would contravene the guidance in the SDCC House Extension Design Guide and the provisions of the South Dublin County Council Development Plan 2016-2022.

Please note that upon receipt of this document you are obliged to remove the planning site notice in compliance with Article 20 of the Planning and Development Regulations 2001 to 2006.
