AquaCell

Re-engineered to rain
supreme for years to come

The new AquaCell range engineered
from reformulated, recycled material.

wavin

The best in stormwater solutions made better still

AquaCell systems are the tried, tested and fully BBA approved answer to the effective management of excessive rainfall, whether through attenuation or infiltration solutions.

Now refined to offer three crate variants, the entire range is engineered from reformulated, recycled material for outstanding sustainable performance in every application.

As concern grows over the effects of climate change and the challenges of increasing urbanisation, AquaCell continues to rain supreme as the cost-effective, proven and versatile stormwater solution.
