IW Recommendation:**Further Information Required****IW Observations:****1 Water**

1.1 All development shall be carried out in compliance with Irish Water Standards codes and practices.

2 Foul

2.1 It is unclear where the foul water discharges from the proposed development. The applicant is required to submit a drawing showing existing and proposed foul water drainage layouts up to and including the point of connection to the public foul water sewer. The drawing shall include the location of all Ajs, manholes, pipe size, material type and direction of flow. The drawing shall clearly show that the foul and surface water systems are discharging to separate pipe networks. Maps of the public watermains and Wastewater drainage networks may be obtained, if available, for required locations in by emailing: datarequests@water.ie.

2.2 All development shall be carried out in compliance with Irish Water Standards codes and practices.
