Subject: RE: SD21A/0217 - Request for extension of time to respond to FI

Dear Mr Connolly,

I write in respect to a Further Information Request issued by SDCC in relation to SD21A/0217. The Further Information Request was issued dated 29th September 2021.

The deadline for response is 6th April (when the 9 days are added for Christmas).

The Applicant has asked me to request an extension of three months to respond to this Further Information Request.

I would appreciate confirmation of receipt. If I should contact someone else in the Council, please let me know.

Many thanks
Brian
