

Extension of Time for Sd21a/0232

We are agents for the above planning application (New Care Home, Taylor's Lane, Rathfarnham). We are working to compile our response to your recent comments and need more time to carry out a CCTV drainage survey to finalise the drainage proposals. This is now established for week commencing 28 March. We will have to interpret the survey findings following the survey and alter the proposals accordingly.

The current deadline runs out on 14 April 2022. Can this be extended to 13 May 2022?

I look forward to hearing from you,

Douglas Jack | Director
